Eco-Logical Pilot Project- Free Bridge Area Congestion Relief:
Third Stakeholder Meeting

Wednesday March 19th
4:00 PM to 7:00
Location: Charlottesville High School Media Center, 400 Melbourne Rd, Charlottesville, VA 22901

Agenda

1. **Introductions, and orientation (20 minutes)**
   - Staff, facilitators and stakeholder participants will introduce themselves. The group will discuss the overall goals for this process and will be given a refresher of the protocols for working together.

2. **Updates from Staff (20 minutes)**
   - TJPDC and MPO staff will provide the stakeholder group with updates on progress rebuilding the REF tool, time of day trip modeling, meeting with state agencies, online forum/discussion board, and the engineering RFQ.

3. **Work Session: Identification of Transportation Alternatives**
   - **Small groups breakout (35 minutes)**
     Stakeholders will be assigned to small groups by TJPDC staff. Groups will then work collaboratively to identify three transportation alternatives that they would like to see analyzed by the engineering firm and the Regional Ecological Framework
   - **Medium group work session (35 minutes)**
     Small groups will be combined into three medium groups where they will work to combine the top three projects from each small group and put forward three priority projects.

4. **Break: 10 Minutes**
   - **Reconvening (45 minutes)**
     Collaboratively select a set of no more than 10 alternatives to be put forward for feasibility analyses by engineering firm and Regional Ecological Framework modeling.

5. **Wrap-up (10 minutes)**
   - Next meeting time and location, Charlottesville High School (March 21st)
   - Field trip
   - What happens next

6. **Public Comments (5 minutes)**
   Members of the public may speak at this time.
   *Each speaker has 2 minutes to speak.*
