West Main Phase Three

WEST MAIN STREETSCAPE
PHASE 3
April 2, 2020
West Main Phase Three

Project Description
This streetscape project will be the third phase of redesigning the West Main corridor within Midtown between UVA’s Corner/grounds & hospital facilities and the established Downtown Pedestrian Mall Business District. The third phase is located between 8th Street NW and Roosevelt Brown Boulevard/10th Street NW. To address increased travel demand/capacity, on-street parking will be reallocated to improved bicyclist/ pedestrian facilities, bus shelters added, pedestrian crossings improved, the latest ADA standards met, while improving aesthetic and safety of this important corridor. The signal at Roosevelt Brown Boulevard will be replaced, street furniture added, historic interpretive signage included as well as enhanced landscaping.
