Summary: The following adjustment was made to the TIP in March 2022.

Preventative Maintenance & System Preservation and the Preventative Maintenance for Bridge Groupings were updated in March 2022. \$250,000 was moved from the Preventative Maintenance for Bridge Grouping to the Preventative Maintenance & System Preservation Grouping. This transfer is to account for additional actual obligations this year for the State of Good Repair project for the Dairy Road over the 250 Bypass.
