

Round 4 Smart Scale Proposals for the CA-MPO Area

5/11/2020

The following is a list of projects in the CA-MPO area that are currently being considered for submission for transportation funding in VDOT's Smart Scale program. The pre-application review period is from March 2 to April 3, 2020. Full applications will be submitted from June 1 to August 3, 2020.

There is approximately \$20 million available for projects in the Culpeper District and an additional \$500 million in the State High Priority fund (statewide).
